HRD-Logistic Products Co., Ltd.

HRD-Logistic is one of the most important member of China Machinery & Equipment Imp. & Exp. Suzhou Co., Ltd. (<http://www.cmecsz.com>).

We specialize in series of shop furniture products, such as shelves, trolley, cash counter, baskets, vegetable racks, hooks and so on.

As a leading company in China, we have established successful business relationships with more than 70 countries and areas. HRD-LOGISTIC is your complete online source for supplies. Our convenient and direct ordering allows you to reduce your cost of business and manufacturing.

Since we have been engaging the export of various supermarket furniture products, we have set up several production bases from which stable quality, reasonable price and perfect services. The company has been certified for the authentication of ISO 9001: 2000 Quality Management System. Besides of the products shown on the site, we shall develop the new models continuously. The client's special requirements and sizes are also welcome and be produced.

SHOPPING TROLLEY

Plastic Shopping Trolley

Plastic retail carts are lighter in weight than a similar size wire cart and offer some protection to store fixtures. The cart frames and wire gate have a rugged baked-on powder coated finish.
